Here are our Drive-Thru Stations:

- Welcome + Check For Health History
- Payment (if not already done online) + Counselor/Group Assignment
 - Staff will walk your campers to their group, **or** you can park and walk them to their group

You should allow approx. 20-30 minutes for drop-off on Monday

If your camper does not have the Health History completed online, you will be required to fill out a paper form upon arrival at camp.

Optional Early Drop-Off from 7:30-8:00 includes breakfast and can be paid for online

Camper Pick-Up

For your safety and efficiency, we are using a drive-through system for camper pick up again this year.

Standard camper pick-up is from 4:30-5:30

- Optional Late pick-up from 5:30-6:30 includes dinner and can be paid for online
